8. Give a brief description of the program/services to be provided and how they fulfill the mission of the college. How will these funds benefit present and future students? Many students pay for their discounted movie tickets, bike locker corral access fees, and DASG Bike Program fees with their credit/debit cards. The bank charges a fee for this convenience, so we need to have an expense account to record all of these bank processing fees. We also went to a Positive Pay service with the bank to help reduce the risk of check fraud with the checks we issue. While our District has not been charging DASG for this service since implementation, we are uncertain if we will be charged for Positive Pay bank services in the future
9. How have you been meeting or how do you plan to meet the budget stipulation of requiring that all students benefiting from DASG funds allocated to you have paid the \$10 DA Student Body Fee and are DASG Members (DASG Budget Stipulation # 1)? When students purchase movie tickets, they must show their DASG card. If they are paying for access to the bike locker corral or Bike Program fees, the Office of College Life verifies their student status to be sure they paid their DASG quarterly fee.
10. What would be the impact if DASG did not completely fund this request? Students would not be able to pay with their credit/debit card, and they would be angry. This would create bad feelings toward DASG. Paying by credit/debit card has been a convenience for students that DASG has provided for many, many years.
