1. INFORMATION/DISCUSSION/ACTION/URGENT (revised and changed to Urgent Item by Senate on page 7 of 16)

Title: Additional Funding Request for Football

This item is to discuss and approve the additional funding request for \$9,171.00 from the DeAnza College Football Team for lodging and traveling expenses for games at Feather River College.

Presenter: Dan Atencio or Kulwant Singh

Time: 7 minutes

- Kulwant Singh and Dan Atencio presented this item. Kulwant thanked the DASB for their continued support over the last few years. Kulwant explained that in the realignment of the Football Conference, teams will have to make longer trips for competitions. Dan mentioned that the size of the players are the reason for two busses, in order for them to fit comfortably. The program has attracted high quality players from out of state who are going for full scholarships next year.
- Kulwant mentioned that the Commissioner of the Conference picks the teams matchups for competition. They have complained to the conference not to travel this distance again.
- Dan mentioned they went to Fresno State last weekend, left at 11am and returned at 1am the following day.
- Kevin asked how much fundraising have you raised?
- Dan said that these funds are used to maintain the program: ripped jerseys, and no additional assistants have been hired.
- Dan said one player wants to run for DASB and all are encouraged to buy DASB cards.
- Kevin asked about the budget and whether equipment is included.
- John mentioned that no equipment is on Athletic Teams' budget.
- John said this request is from special allocations.
- Kulwant said that every team needs a supplement on their travel accounts.
- Dan said that there are only a handful of schools that have to make a trip this year. Every school complains.
- Lodging and bus transportation costs make up the request.
- Kevin asked what the fundraising funds are used for.
- Dan answered that 36 footballs at \$60 each adds up. Also they used fundraising money on 10 repaired jerseys at \$40 each which were originally bought by DASB. Practice pants, shirts, decals, and mouth guards are also purchased using fundraising money.
- Kulwant mentioned that \$5,000-\$6,000 was raised for assistant coaches.
- Rhea mentioned that all of the requests today total \$17,00 and we have \$23,000 left until December.
- Kevin asked what would help with funding for football next year.
- Dan repeated that this is a unique trip and wont happen next year.
- Arjun asked about the hypothetical consequences.
- Dan said they must go—if not they will forfeit the game.
- Kulwant said that if they cannot go he will have to go the VP of Instruction.
- Julia has passed the gavel to Rhea who is now is the Chair for these items.
- Rhea entertained a motion to listen to all the requests before we consider each individually and vote individually.

Title: Additional Funding Request for Baseball

This item is to discuss and approve the additional funding request for \$2,000.00 for the Baseball Team for meals.

Presenter: Erick Raich or Kulwant Singh

Time: 7 minutes

- Kulwant mentioned that the Baseball budget is a total of \$2,000 which is low for how many players they have.
- The previous coach did not feed his players, and the budget thus shrunk because funds were not being used.
- Kulwant mentioned that the new baseball coach is working hard to bring the program up to where it should be. Recruiting players, fixing up the field.
- Eric Raich introduced himself. He said that in the early 90's DeAnza was a powerhouse program and he is trying to bring the program up to where it should be. He is looking to put non-conference schedule on top of the Fall schedule. Eric is planning trips to various places. He did 5 months of catch up in one month to get a full schedule in. He is asking for what was originally with the program, which wasn't used in the past but now is needed.
- Kulwant mentioned baseball plays 36 games, 12 of which are far travel, 150-200 miles. They need to eat.
- Lisa asked how players many compared to softball.
 - Eric said a lot more players on baseball, 12 pitchers and 16.
- Eric mentioned that it took 150,000 to get the baseball field up to grade, for liability reasons. He has spent 30 hours on the field to get it up to speed.
- Kulwant mentioned that baseball didn't get a dime from measure C or D.
- Eric said that the season starts in January.
- Rhea asked if they need it now.
 - Eric and Kulwant said that this money will help in planning the schedule.

3. INFORMATION/DISCUSSION/ACTION

 - Erick said that yes every single college has a machine and a lot of high schools have them now. 200,000 swings will come from this machine.
- Kevin asked if there is an old one.
- Erick said they are scrapping the old one, which is broken.

 - Seconded by Mia.

4. INFORMATION/DISCUSSION/ACTION

Title: Additional Funding Request for Badminton

This item is to discuss and approve the additional funding request for \$2,400.00 for Woman's Badminton Team for travel for a Tournament.

Presenter: Mark Landefeld or Kulwant Singh

Time: 7 minutes

- Kulwant did an introduction for Mark and his two-time state champion Badminton team.
- Mark said within conference games are within the area but there is one that occurs in southern California. This eats their whole budget. Any other competition requires the team to get more funds.
- Mark said the team throws clinics to fundraise but this only covers operational costs for the team.
- Mark said its \$800 a day to feed and travel the team of 15.
- Rhea asked if they didn't get this request how it would effect the team.
 - Mark said that getting this would allow Mark to schedule the games around school breaks; during a school break and missing it might mean not being able to play opponents. The competition would be scheduled for Spring Break.
- Julia asked whens the last day to schedule this competition.
 - Mark said that by the end of the quarter at the latest.
- Mia asked if we can approve this in January.
- Hakwoo asked if it is still possible to schedule games later if they can receive funds later.
- Mia moved to end discussion.
 - Seconded by Hakwoo.
- **As the Finance Committee, the Senators now will move on each request separately.**
- Kevin moved to approve the additional funding request of \$9,171.00 for the Men's Football Team as an Urgent Item.

- Discussion occurred:
- Kevin said because it's this month he thinks is a good idea to approve.
- Julia said a portion would be better in order to leave some funds for the Fall quarter.
- Mehdi said how did the Senate handle this last year? Will we have to deny people coming later this year?
 - John mentioned that last year \$12,000 was left on the table last year because of fear of running out.
- Kulwant said Dan is being thrifty and cutting corners and it sounds like a lot, but it would mean a lot to the Football program to approve this.

- Erick said that he would forgo getting the \$2,000 now for the food for now; he can wait until January for that if that helps Football out.
- Rhea advised that Football request to be paid in full.
- From the public, Austin spoke as a Community College student said that these are student athletes who are trying to make it to the university level and certain things like this mean all the world to them.
- The other DeAnza football members also stood up and spoke to how hard it is to sit on a bus for 6 hours. They need two buses. They would really appreciate the help

- Arjun said they should wait until November and reevaluate this request.

- Ken agrees with Mia and said that if others need money, the Senate should be hearing the request now if the others were planning well.
