

Name (pronouns)

Isaac Tsang (he/him)

How did you hear about the DASG Senate?

I am currently in DASG, serving as an intern.

If you have held a DASG Senate position in the past, what was your position?**Why do you want to join the DASG Senate, and what do you hope to achieve?**

I want to join the DASG Senate as I want to improve the college experience some students may feel lacking, and advocate for what students' opinion. There might be many constructive ideas from students that does not get heard. By becoming a senator, I hope I can bring different opinions and make positive tangible impact on DASG, and the bigger community.

What are some of the skills and experiences that you will bring to the DASG Senate?

I believe I have the organization and communication skills to push through agenda. I hope I can make the Senate more productive and run smoothly.

What other commitments do you have and how will you manage your time?

Additional to coursework, clubs are my biggest commitments. Nevertheless, I manage my time by accordingly, scheduling, ensuring that I have time both for coursework, and extracurriculars. Personally, I take DASG as a significant priority, and will commit my time into it.

Additional Comments (maximum 200 words)

What student concerns do you feel the DASG should address?

I believe that DASG should advocate for increasing communication between the district and students. A concern students have currently may be the lack of information of Measure G. DASG should establish a platform for the district to directly respond to critics, while showing more student feedbacks about the planned project.
