Math 42 - 03 MTWThF 08:30 AM - 09:20 AM, Room S45, CRN 31489
Office Hours: MTTh 12:30 - 1:45 PM and Wednesday 1:30 - 2:45 PM
Precalculus II: Trigonometric Functions

Prerequisite: MATH 41 or equivalent (with a grade of C or better); or a satisfactory score on the College Level Math Placement Test within the last calendar year.

Course Description: The theory of trigonometric functions and their applications.

Textbook: Precalculus with Limits; 3rd edition, by Ron Larson.

Calculator: TI-83 Plus/TI-84 Plus calculator recommended. Cell phone calculators are not allowed during quizzes or exams.

Software: All homework will be done online using WebAssign. You will need to register at www.webassign.net to use this internet-based software. You will need the class key given by me in order to self-register. Class Key: **deanza 6394 9473**

Tutoring Services: The De Anza campus has a tutorial center for math students where students can get "drop in" help. Students can also register to have a regular, assigned tutor for help throughout a quarter. The tutoring center is located in room S-43.

Student Conduct: Do not cheat. If you have a question during a test, you are only allowed to talk to the instructor. Anyone caught cheating on an exam will receive an automatic 0 and be reported to the Dean of the PSME Division. You can be expelled from the class and possibly from De Anza College with a grade of F if you are caught cheating.

Classroom Behavior: Please show courtesy for me and your fellow classmates by turning off and putting away your cell phone during class time, especially during exams. Please do not take calls or text message during class. Do not talk while fellow classmates or I are talking. If you have any type of learning disability, please let me know during the first week of classes so that special arrangements can be made, if necessary.

Student Learning Objectives: Formulate, construct, and evaluate trigonometric models to analyze periodic phenomena, identities, and geometric applications.

Time Management: You should expect to spend at least 2 hours outside of the classroom for every 1 hour inside the classroom. This time outside of the classroom may include homework, reviewing notes, studying, and attending office hours. If you want to be successful in this class you will need to put time and effort into it.

Attendance: Students are expected to attend every class meeting. Make sure you sign the attendance roster at each class meeting. If you miss a day, it is solely your responsibility to seek out another student or myself to find out what you missed. You cannot expect to do well in the class if you fail to attend lectures.

Homework: Homework will be assigned every class meeting online and will have a due date. All homework must be submitted by 11:59PM on the due date. You must set up an account by Friday, January 13, 2017 or you will be dropped from the class. If you have a homework problem you were not able to complete, you have the next class session to ask by putting the problem on the board. At the end of the quarter your lowest homework score will be dropped. Homework will count for 13% of your term grade.

Quizzes: There will be a quiz every week. Each quiz will be assigned online or in-class intermittently throughout the term to test your skills on the concepts we are covering in class and online. **NO** make-up quiz will be given. To compensate for this, I will drop your lowest quiz score. These quizzes will count for 12% of your grade.

Midterms: I will give three in class exams during the quarter. No notes will be allowed on any exams. These exams will be completed in class and will contain the materials covered in the lectures, online, and in the book. If you are unable to take an exam for any reason, **a makeup exam will not be given.** In the case of a documented emergency, I will replace a missing exam score with your final exam score. These exams will count for 50% of your term grade.

Final Examination: If you do not take the final exam, you **WILL NOT** receive a passing grade. There will be a comprehensive final examination on **Wednesday, March 29 from 07:00 AM - 09:00 AM.** This test will count for 25% of your term grade.

Grade Breakdown:

A+: 97 - 100%	B+: 87 - 88%	C+: 77 - 78%	D: 62 - 66%
A: 92 - 96%	B: 82 - 86%	C: 69 - 76%	D-: 60 - 61%
A-: 89 - 91%	B-: 79 - 81%	D+: 67 - 68%	F: < 60%

Important Dates:

- The last day to add classes is Saturday, January 21.
- The last day to drop for a full refund no record of grade is Sunday, January 22.
- The last day to request pass/no pass grade is Friday, February 3.
- The last day to drop with a "W" is Friday, March 3.

Tentative Schedule for Math 42, Winter 2017

Week	Monday	Tuesday	Wednesday	Thursday	Friday
1	January 9 Syllabus	January 10 Section 4.1	January 11 Section 4.1	January 12 Section 4.2	January 13 Section 4.2
2	January 16 Martin Luther King's Birthday	January 17 Section 4.3	January 18 Section 4.3	January 19 Section 4.4	January 20 Section 4.4
3	January 23 Section 4.5	January 24 Section 4.5	January 25 Section 4.6	January 26 Section 4.6	January 27 Section 4.7
4	January 30 Section 4.7	January 31 Section 4.7	February 1 Section 4.8	February 2 Section 4.8	February 3 Review
5	February 6 Exam 1	February 7 Section 5.1	February 8 Section 5.1	February 9 Section 5.2	February 10 Section 5.2
6	February 13 Section 5.3	February 14 Section 5.3	February 15 Section 5.4	February 16 Section 5.4	February 17 Presidents' Day
7	February 20 Presidents' Day	February 21 Section 5.4	February 22 Section 5.5	February 23 Section 5.5	February 24 Review
8	February 27 Exam 2	February 28 Section 6.1	March 1 Section 6.1	March 2 Section 6.2	March 3 Section 6.2
9	March 6 Section 6.3	March 7 Section 6.3	March 8 Section 6.4	March 9 Section 6.4	March 10 Section 6.5
10	March 13 Section 6.5	March 14 Section 6.5	March 15 Review	March 16 Exam 3	March 17 Section 10.7
11	March 20 Section 10.7	March 21 Section 10.8	March 22 Section 10.8	March 23 Review	March 24 Review
12	March 27	March 28	March 29 Final Exam 7:00 – 9:00 AM	March 30	March 31

This syllabus is subject to change at the instructor's discretion.
